PFREUNDT®
Easy. Better. Weighing.

The WK60 dumper scale DW-3

1 Weighing electronics

2 Measuring element DW-3 with LED signal lights for loading status

The right weighing solution for any dumper

With the scales for articulated dumpers, PFREUNDT offers you the perfect weighing solution for almost all types - manufacturer-independent. During loading, the weight is determined by measuring elements on the rear axles for fast and efficient workflows.

Overview of functions

• Precise weighing results even under extreme conditions during loading
• Simple and intuitive operation through touch display
• Comprehensive and customizable master and weighing data management
• Exact activity recording
• Optimum capacity utilisation
• Registration of overloads
• LED lights signal loading status

Scope of delivery

• WK60 electronics
• 2 measuring element DW-3 with weighing cell
• 2 LED lights signal lights
• 1 analog/digital-changer in connection box
• 1 antenna

Accessories

• Printer
• Weighing tickets and weighing ticket box
